1. Coordination Issues:

- 1.1 The information contained in and required by this section has serious contract implications. Ensure there are no errors in the final specification section.
- 1.2 Make sure to match the appropriate TG 00100 Solicitation Notices section to the respective section from TG 00210 Instructions to Bidders, and respective sections from TG 00410 and TG 00411 Solicitation, Offer and Contract Form. For Informal Bids (less than \$15,000), an "Instructions to Bidders" section is not required or provided.
- 1.3 Under Act 52: On July 1, 2003, changes to the HAR Procurement Code require a prebid conference for projects exceeding \$500,000 and the deletion of In-State Contractor's Preference (§103D-1007).
- 1.4 Under Act 52, §103D-310: Offerors (Contractors) shall be incorporated or organized under the laws of the State or be registered to do business in the State as a separate branch or division that is capable of fully performing under the contract.
- 1.5 Pursuant to HRS §103-55.6 Public works construction; apprenticeship agreement (Act 17, SLH 2009 – Apprenticeship Agreement Preference), all public works construction projects having an estimated value of not less than \$250,000 shall be required to allow offerors to submit and request for a 5% preference if the offeror is a party to an apprenticeship agreement registered with the Department of Labor and Industrial Relations for each apprenticeable trade they will employ. Membership in a single program does not merit preference.
